JUNCTION, SATURDAY, DEC. 13, 1862.

CT Dr. SEYMOUR has returned from a trip up the Smoky. Says there is coal there.

IT The Commissioners of Leaven worth county have levied a tax of \$60,000 in that county to y the expenses of the coming year.

Ir The United States Express Company received eleven tons of freight in one day in Leavenworth recently.

A great sale of condemned horses and mules comes off at Fort Riley next Monday. Splendid chance for those wanting an "old plug."

The Grist Mill project is still being agita ted. Various plans are suggested. One gentleman signifies his willingness to invest \$2000 in such an enterprise.

Retitions -Elder Dennison will hold Quarterly Meeting to-morrow, in Taylor's Hall, He will preach this (Saturday) evening, and also Sabbath morning and evening.

17 Thomas L. Madden, who was convicted at the late term of the District Court of poisoning Ann Smith with a decoction of whiskey and cantharides, has been sentenced to five years imprisonment in the penitentiary.

BF I and G companies of the Kansas Ninth. passed through town last Saturday for Fort Riley. They came from Fort Larned. In one company we noticed several "red men of the forest." They will probably winter at Riley.

Mrs. McFarland's school closed yesterday. Mrs. McF. has endeared herself to many of the parents of this neighborhood by her success with the children. The District School stands in the way of her reopening her school immediately.

. If We have received a heavy instalment of "portry" from "Rosey." Its calibre is entirely too heavy for the bore of the Union. It is not what might be called orthodox in principles generally laid down by spelling-books.

WHAT WE HAVE LEARNED .- That legal advertisements, without the Cash in advance, are a humbug. Therefore, the money must be had on such advertisements before they will appear in the paper. Waiting on the property to pay our quite as cheap as they can be purchased in fees is played-out. fees is played-out.

Just as we were going to press, who should drop into our sanctum but FRED MARVIN and Puaisrox. They have spent the last six months in tramping over Illinois and Iowa. Marvin was one of our regular lonfers, and it seems natural to have his "phiz" around again.

A BLUNT TELEGRAM.—General Blunt's last telegram is to the effect that the enemy, 25,000 strong, had attempted to force his position for three days but were driven back, and winds up, " You will soon hear of one of the damndest fights or foot races that has taken place lately."

17 Martin Daily, an old resident of Junction, now a member of the Second Kansas, paid our town a visit one day last week, and was warmly welcomed by a host of friends. Daily has been a member of the Second, ever since its organization, not having been mustered out at the time the rest of the boys were, and was at the battle of Perrysville, a member of General Mitchell's

17 The Charter, Books, &c., of Occment LODGE, No. 26, INDEPENDENT ORDER OF GOOD TEMPLARS have been received. It is to be hoped that the true friends of Temperance will takehold of this strong and effectual weapon of Reform, and adhere to its teachings. Some evening next week the Charter members will meet at Taylor's Hall, when the Lodge will be instituted and a permanent organization effected. Notice will be served as to what evening. The opening of that by virtue of an Order of Sale, issued from such an institution will be a marked era in the history of Junetion.

PERSONAL -Refugees from the border of Seceseis are common, but one from the heart of the Southern Corn-federacy is a novelty. Mr. LYMAN FIELD arrived in town last Wednesday, having had to leave the benign state of Alabama rather unceremoniously or submit to be pressed into service against his Country. Mr. FIELD is a Vermonter, but has been doing business for several years in Alabama, and being likely to be pressed into a company of rebel cavalry, he flew towards civilization, and left all rather than war upon his Government. He is a " bully," jovial fellow, and will be quite an acquisition to the "circle."

A FATAL ACCIDENT,-A young man by the pame of Holzman, while on a buffalo hunt on the Smoky Hill, one day last week, was accidentally shot, and died while on his way to his home in Salina. He and a companion were together when his companion stumbled and fell causing his gun to go off, the charge taking effect in Holzman's thigh. His wound did not bleed much, and he appeared to be doing well until within a short time of his death, which was unanticipated and a mystery to the physis cian who has since examined him.

The New York Tribune has the follow-

ng from Washington: Dr. Barney, a citizen of Baltimore, was recently taken by rebel pickets, near Centreville, and forwarded to Richmond. He has since stated that he went out for the express purpose of being captured. While in Richmond, where he had numerous ac-quaintances, he had frequent interviews with members of the Confederate Cabinet, and was admitted into many secrets of the rebel programme. When the time arrived for his departure North be was sent for by J. P. Benjamin, who handed him letters, addressed to Governor Seymour, of New York, Fernando and Ben Wood, Vallandigham and Cox, of Ohio, Bayard, of Dela

ware, Reverdy Johnson, of Missouri, and a number of other noted Democratic leaders in the North and Border States. In the verbal instructions given to Barney no terms were asked for. Southerners told him they would consent to no terms. If not admitted to the Union again as equals they would not come in again at all. What they ask is the granting of an amnesty to all the military and civil leaders of the rebellion, so that an election for members of Congress can be had during the coming winter, and that body be called together as early at least as April.
